We now have 38 model (leadership) clubs in the state (awaiting paperwork on two of them); 2-A3 and 2-S2 can thump their chest for reaching the minimum goal of 5 or more each per district. Only these two districts have reached their charge of 5 for the year so far. I trust with all great districts will meet and those minimum stands by state convention. Thanks for a great job. Again major thanks to each of you.
